Cultural activities are important for the students, and such activities are always recreating. Due to cultural activities, various qualities are developed among the students, such as teamwork, leadership, communication skills, and built confidence, making the stage. It also helps to explore

hidden talents and Special qualities among the students, such as dancing, singing, painting, photography, ability to play flute, etc. The cultural committee at Vivekananda College is a platform for students to participate in competitive cultural events throughout the year. The college also has a separate forum slot in which teachers take a very active part. Vivekananda College gives students a platform to show their talents and performing arts fine arts, to hold competitions among students at the intra-collegiate level, and to give a chance to all the Talented students within college premises to display their talents. The cultural forum is also the Gateway for selection and participation in other inter-collegiate events. This committee also encourages and nurtures the cultural talents of the students. We, teachers and students, work together and provide opportunities for students to engage in meaningful activities along with their studies.

### Some important events organized by the Cultural Committee from 2018-2023

The Cultural Committee organizes yearly cultural competitions, such as singing, drawing, art, sculpture, etc., during the Students' Week Celebration in the first week of January, where students are encouraged to participate. The committee believes that Students' active participation is the key component of strong teacher-student bonding. It is one of the elementary platforms for exploring the talent of our students.

Language is one of the most important parts of any culture. Every year on 21<sup>st</sup> February, the Cultural Committee of Vivekananda College organizes a programme to celebrate International Mother Language Day. In front of the Shahid Minar, teachers and all the students performed-

“আমার ভাইয়ের রক্তে রাঙানো একুশে ফেব্রুয়ারি,  
আমি কি ভুলতে পারি?”

The festival of colour is another event celebrated in different corners of India on the day of Dol Purnima. The Cultural Committee of Vivekananda College organized Basanta Utsav. The festival starts with the Prabhatpheris by students, teachers, and non-teaching staff. The colour of nature, along with the abir, makes the college more beautiful on this very day. Teachers and students play colours on the college premises. Thus, making the Basanta Utsav enjoyable for all.

Rabindra Jayanti is celebrated every year on the occasion of the birth of Rabindranath Tagore. The 25th Baishakh was celebrated at Vivekananda College, Thakurpukur, with dance, recitation, and music of Rabindranath Tagore.

We, the members of the cultural committee, also try to provide a farewell to our respected teachers on their retirement days with a sorrowful heart. We teachers sing songs and say something about our teacher on the day and share beautiful memories that we spent together.

Durga Puja is the most popular festival in West Bengal, and every year, the Vivekananda College Thakurpukur celebrates an Agomoni Utsav within college premises to mark the commencement of the festival. Our teachers participate in cultural events through many cultural items, including songs, recitations, dance, drama, etc. This is the time of the year to forget all our sorrows and enjoy the arrival of Ma Durga.
