

N.S.S. Unit Vivekananda College

Affiliated to University Of Calcutta

kolkata | West Bengal | 2023

Our College N.S.S. Unit

National Service Scheme Unit of Vivekananda College is affiliated to the University of Calcutta, West Bengal. N.S.S. is a student-centered programme that aims to develop the personality of students through community service. It is a noble experiment in academic extension that brings our academic institutions closer to the society.

Many students join N.S.S. and participate in various community related programmes in and around our college. Some of our activities include blood donation camps, health awareness campaigns, environmental protection drives, literacy and skill development programmes, cultural and sports events, and disaster relief operations.

HISTORY OF N.S.S. IN INDIA

The National Service Scheme (N.S.S.) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. N.S.S. was introduced in 1969 to mark the centenary year of Mahatma Gandhi's birth. It was launched in 37 universities and 40,000 students joined the scheme in the beginning. The nationwide scheme now includes 3.8 million university students after 50 years of its inception. N.S.S. has played a vital role in promoting the values of social service, national integration, and social harmony among the youth. N.S.S. volunteers have participated in various national and international events and programmes, such as Republic Day Parade, International Youth Exchange Programme, Adventure Activities, National Integration Camps, etc. N.S.S. has also received several awards and recognitions for its outstanding contribution to the society, such as Indira Gandhi N.S.S. Award, National Youth Award, etc.

OUR VISION

N.S.S. Vivekananda College was established with the vision of following the ideals of Swami Vivekananda, the great patriot and social reformer. It channelizes the power of youth on the principles of voluntarism, self-help and community participation.

NSS MOTTO

The motto of National Service Scheme is NOT ME BUT YOU.

OUR OBJECTIVE

The main objectives of our N.S.S. unit are:

- To understand the community in which we work and our relationship with it
- To identify the needs and problems of the community and

involve them in problem solving .

- To develop a sense of social and civic responsibility among ourselves
- To utilize our knowledge in finding practical solutions to individual and community problems.
- To develop competence required for group-living and sharing of responsibilities
- To gain skills in mobilizing community participation
- To acquire leadership qualities and democratic attitudes
- To develop capacity to meet emergencies and natural disasters
- To practice national integration and social harmony

100 students are entitled to join in the N.S.S. Unit. Our unit. Many students join NSS and participate in various community related programmes in and around our college and our beloved country, Bharat. N.S.S unit is headed by programme officer prof. Aakash Shaw

We invite you to explore our page and learn more about our unit, our activities, our achievements, and our future plans. You can also contact us if you are interested in joining us or collaborating with us. We hope you enjoy your visit and find our website informative and inspiring.

OUR WORK

Our college N.S.S. unit is at the forefront of societal engagement, embodying a commitment to social responsibility and community welfare. With a comprehensive approach to holistic development, our unit actively participates in diverse social work and awareness programs, addressing critical issues such as community health, community education, and community well-being as well as climate change, awareness on HIV and some other critical diseases, handicrafts, other programs, entrepreneurial initiatives fostering self employment for youth groups. Beyond these efforts, we conscientiously commemorate days of national importance, fostering a sense of collective responsibility. The following key points encapsulate the breadth of our endeavors:

- Mother and child care.
- Awareness on health and vector board diseases.
- Sensitization issues on climate change.
- Fostering self employability program.
- Awareness on mental health and neuro diverse issues.

- Fostering information and media literacy.
- Awareness on cyber security.
- Initiative on anti drug abuse.
- Fostering literacy on parliamentary frameworks.
- Cultural programs on celebration of various important days.
