

IQAC recommendation

IQAC, Vivekananda College, Thakurpukur, met on 18/June/2022, to envisage, formulate and design Add-On Courses, beyond prescribed Curriculum. The IQAC has also decided to organise a program on staff training:

- A. It was decided that all the departments of Humanities, Science and Commerce would design and formulate 30 hour Add-On Courses for 2022-23, Academic calendar, as per UGC guidelines.
- B. It was decided that the Departments would be free to choose the Courses on the basis of their (subject) relevance, practicality and feasibility.
- C. It was decided that the Departments would have a Course Coordinator, who would design the Course and Course materials, in consultation with all teachers of the Department.
- D. It was decided that each Department would design their own format; and could follow a blended mode of instruction.
- E. It was decided that the Departments would be encouraged to use and utilize their own resources while formulating the Add-On Courses, rather than relying on Outsourcing.
- F. IQAC would send its recommendations to the Principal/TIC for perusal and implementation.
- G. The IQAC would also organise a Staff Training programme - 'Effective Working Style' Conducted by IPE Of Professional Excellence On 25th June 2022 .

Course - outcome

1. After completion of the course students will develop an understanding of the reciprocal impact between human societies and non-human environments.
 2. They will be able to explain how colonialism and capitalism have affected environmental and ecological dynamics in India.
 3. They will be able to relate resource utilization and the roles of states and communities in conservation.
 4. They will be able to recognize the influence of ideas and ideologies on human perceptions and actions toward their environments throughout various historical eras.
- The Post-Graduate students are offered a vision of scholarly works in environmental history. In future, they will be benefitted if they decide to do some research work.
