

TRAINING AND PLACEMENT CELL

Vivekananda College

269, Diamond Harbour Road, Thakurpukur

Kolkata - 700063

Coordinator : Prof. Nabakishore Chanda

The Vivekananda College has been known for its' student friendly atmosphere for years, where the authority always stands for them. Formation of a Training and Placement cell is a good example of that very attitude. Although being a general college without any job oriented or vocational course the college gets very limited scope for placement of students, but the endeavour has facilitated good number of students in getting a job for last a few years.

The cell works in two modes of operations like,

1. Train the students to make them capable of facing corporate interviews.
2. Arranging campus recruitment drives and sending them to pool campus drives in different institutes.
3. However, sometimes a few students are sent to different organisations on demand, after a preliminary screening.

Skill Development

- Personality Development
- Communication
- Interview skill

Campus Requitement drives

- On campus requitment
- Off or Pool campus requitment

Referal for jobs

- Scope found proactively by alumnus
- Referring students to organisations

In recent years the several prominent organisations have visited the college and conducted their recruitment drives. Even sometimes they have conducted on campus training cum grooming programme and selected successful students from the same. Some of the recent activities of the cell are as below:

- Tata Consultancy Services offered Employability Training to more than 600 students of this college since 2011. Among those candidates nearly 80 got selected for the job at TCS.
- TCS also conducted direct recruitment test for the students of this college in 2014 where 117 students were selected for final interview, among them 27 got the job. The lists of students selected are given in *Annexure 1*.
- Most recently in 2016 nine students of this college cracked the TCS-online test and got shortlisted.
- In 2014 – 15, Infosys BPO shortlisted twelve candidates of the college through their campus recruitment drive.
- There have been success stories in pooled campus recruitment by WIPRO – BPS. The details of selection from this college is given in *Annexure 2*.
- Macleods Pharma has recruited students of this college, through pooled campus drive at Bengal College of Pharmaceutical Science, Durgapur this year.
- Recently, SAP-Creative has enlisted a total of 160 candidates including 74 Girl students for part Time job through their Campus drive at Vivekananda College.

In addition to these specific recruitments the training and placement cell has liaisons with companies of repute like Cognizant, Indian Tobacco Company, HCL, Dabur etc., which conducted their campus recruitment drive in this college in different times.

The TCS Employability training

Participation of Students and Faculty members at Career counselling session

The Campus Drive by SAP Creative

WIPRO Campus Drive at Vivekananda College

Special Activities

Besides arrangement of campus recruitment, the training and placement cell has also adopted some special activities related to students career development opportunity.

1. The college hosted UGC Sponsored career counselling programmes for students of all categories and subjects.

2. In 2015 four faculty members were sent to the Tata Consultancy Services to be trained to groom the college students under their Campus to Corporate programme.
3. The college is having a **Computer Centre** within its' premises to **render job oriented training**. The Centre has successfully placed more than 100 students in past years and still counting. The list of the students along with their employers name is given in the *Annexure 3*.
4. A professional career counselling centre has been set up within the college under purview of the training and placement cell to boost up employability of the students.
