"Arise, awake, and stop not till the goal is reached." - Swami Vivekananda

Vivekananda College Thakurpukur, adheres to the spirit of UGC Regulation (2009) on curbing the menace of ragging in Higher Educational Institutions.

Vivekananda College, stands as a beacon of education, enlightenment, and ethical conduct. Within our campus, we uphold the principles of respect, dignity, and inclusivity. Central to our ethos is the unequivocal stance against ragging and discrimination in any form.

Ragging, a deplorable practice, not only violates the rights of individuals but also undermines the very essence of camaraderie and mutual respect that we aim to foster among our students. We firmly believe that education thrives in an atmosphere of equality, harmony and trust, devoid of fear or coercion.

Anti-Ragging Policy and Support System

At Vivekananda College, we have implemented stringent measures to combat ragging effectively:

Zero-Tolerance Policy: Any instance of ragging, no matter how trivial it may seem, is met with zero tolerance. Our disciplinary committee ensures swift and decisive action against the perpetrators, adhering to the guidelines set forth by the University Grants Commission (UGC) and the Supreme Court of India.

Student Support Systems: We provide multiple channels for students to seek assistance and report incidents of ragging confidentially. Our faculty members, counselors, and anti-ragging helpline are readily available to offer support and guidance to victims.

Peer Monitoring: Senior students are encouraged to serve as mentors and role models for their juniors, fostering a culture of mutual respect and mentorship. By promoting positive interactions and inclusivity, we aim to eliminate any space for ragging to thrive.

Continuous Vigilance: Our campus security personnel and administrative staff remain vigilant at all times to promptly address any signs of ragging. We encourage students to remain vigilant and report any suspicious activities to the authorities immediately.

Display of Anti-Ragging Posters: Prominent display of Anti-Ragging Posters in the College Campus.

Awareness Programmes: Regular workshops, seminars, and orientation sessions are conducted to educate students about the perils of ragging and its legal repercussions. Through these initiatives, we aim to instill a sense of responsibility and empathy among our student body.

As stakeholders in the pursuit of knowledge and enlightenment, it is incumbent upon each member of the Vivekananda College community to uphold the values of integrity, compassion, and mutual respect. Together, let us ensure that our campus remains a safe haven for learning, free from the shadows of ragging.

Record of the Meeting held on 19th November 2018

The Anti-ragging Cell of the college is ever vigilant to ensure that there are no such incidents perpetrated in the college campus. The Cell abides to the no-ragging policy of the college and pertains to its duties of assuring its implementation in a robust way through Orientation programmes, seminars and workshops. Through these the students are taught to identify the signs and encouraged to report them to the Cell. The message at Vivekananda College is loud and clear, Say NO to ragging.

Suggestions:

- Hoisting Placards in the vulnerable regions to educate the students the causes and consequences of Ragging.
- Involving faculties during the lean period of the college hours.

Aforementioned suggestions are duly followed.

However, no incident of Ragging was found within the college premises.

Ref.No-VC/SD/128/23-24
Date- 09/10/2023

Dear Prof. N K Chanda,
Teacher in Charge
Vivekananda College
269, Diamond Harbour Road, Thakurpukur
Kolkata - 700063

I hope this message finds you well. Thank you for reaching out to me and considering me for the role of an honorable member of the anti-ragging committee as per G.O. 780-Edn(u) dated 12/08/23.

I greatly appreciate your invitation and the important work that the anti-ragging committee is tasked with. As a senior journalist, I understand the significance of addressing issues related to ragging and ensuring the safety and well-being of students in higher education institutions.

While I am honored to be considered for this role, I would like to clarify that I do not hold the title "Subir Dey Sr journalist." I believe there might be a misunderstanding regarding my professional identity. However, I am willing to contribute to the committee's efforts in any capacity where my expertise and experience can be of value.

Please provide me with more details about the committee's responsibilities, objectives, and meeting schedules so that I can better assess my availability and how I can contribute effectively. I am committed to promoting a safe and conducive learning environment for students and will do my best to support the committee's goals.

Thank you once again for your kind consideration. I look forward to receiving further information about the committee's activities.

Best regards

Subir Dey
